Mr. A. Searle Field  
Staff Director  
Select Committee on Intelligence  
House of Representatives  
Washington, D.C. 20515

Dear Mr. Field:

At the 6 November hearing before the HSC, Congressmen Murphy and McClory asked that they be given copies of two books, The New Class, and The Penkovskiy Papers.

Attached, for passage to the Congressmen, are two copies of each of these books. A third copy of The Penkovskiy Papers is also attached, in case it is of interest to your Staff. We regret that the copies are not in mint condition, but both books have been out of print for some time. We were not able to locate a third copy of The New Class.

Sincerely,

[Redacted Signature]
